Church Hill Superstars

We would like to say a huge thank you to Mrs Spencer for creating the amazing new Superstar celebration board outside the school hall. The children (and adults) absolutely love seeing the photos of the Superstars in the special frames on the board each week!

Apologies

We would like to offer our sincere apologies for the difficulties parents and carers have been having with the Breakfast and After School Club bell and phone. We understand how frustrating this has been and we are working hard to sort a permanent solution.

In the meantime, the bell has been fixed and is in use again from today. If you encounter any further problems, please do let us know.

Thank you very much for your patience and understanding.

Unwanted towels please

If you have any clean but unwanted old towels at home, we would be very grateful for them in school. Please bring any you would like to contribute to the school office.

Thank you.

Attendance

We have noticed a significant increase in children arriving late for school and a drop in overall attendance.

Good attendance is vital to supporting both your child's academic progress and their wellbeing. Children who are regularly absent often experience difficulties with school work and have difficulty making and keeping reliable friends.

An attendance of 90% means your child is missing one day off school every fortnight. This is 4 or 5 lessons every fortnight. An attendance of 80% means your child is missing one day off every week, this is 4 or 5 lessons every week. Children who do not attend school regularly are receiving the message that school is not important. This will impact how they view education and learning when they are older.

Please ensure that whenever possible, your children arrive at school before 8:55am and come to school on every day that it is possible for them to do so. This will support their enjoyment of school and their progress and attainment.

Thank you
